RAII

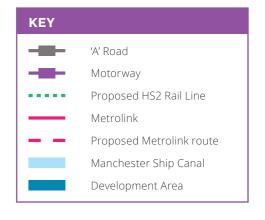

The Metrolink public transport system runs directly through Trafford, offering fantastic accessibility and

A proposed new Metrolink line through Trafford Park to the Trafford Centre is an objective for the next

local connections across the borough.

Trafford offers fantastic access to both passenger and freight rail networks. The North West's largest inland freight terminal is located in Trafford Park, providing direct access to the rail network, whilst our excellent passenger rail links ensure you can stay connected to customers and suppliers.

The UK's new superfast HS2 rail service is also planned to be completed in 2032 and with a stop at Manchester Airport it will bring the country even closer to your business.

- Altair is an exciting new development situated in the heart of Altrincham, a historic market town, just 10 miles from Manchester. Delivered by Nikal, this modern, high quality scheme will bring new residential, commercial and retail space making a significant contribution to Trafford's offer.
- With a new £19m transport interchange, Altair will be easily accessible by workers, residents, visitors and shoppers.
- Altrincham is fast becoming a major entertainment and leisure destination and Altair will play a key role in the continued transformation of the town.

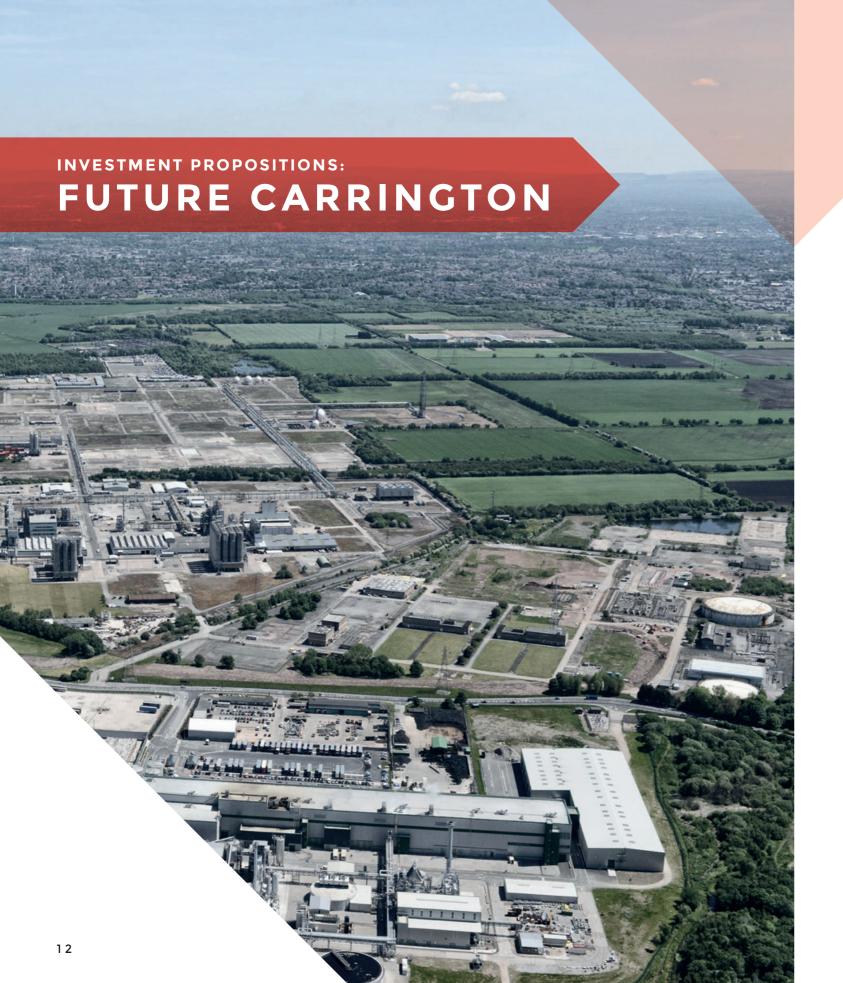

66 ALTRINCHAM IS FAST **BECOMING A MAJOR ENTERTAINMENT AND LEISURE DESTINATION ??**

- Trafford Park is one of the largest industrial parks in Europe and its varied and significant business base, vibrancy, communication and supply chain linkages have attracted new investment such as ITV Studios (Coronation Street) and Missguided.
- Trafford Park has seamless connectivity with the GM area. The Manchester Ship Canal, motorway network, freight terminal and airport are all within a short distance ensuring it is easy for businesses in the area to connect with customers and suppliers. The proposed new tram line through Trafford Park will make it even more connected to GM and beyond.

66 ONE OF EUROPES LARGEST INDUSTRIAL PARKS WITH OVER 9MILLION SQ M OF BUSINESS SPACE ??

AREA: 668 hectares

This landmark development site,

and business proposition.

owned by HIMOR Group, will create a high quality, mixed use, sustainable community, meeting business and residents' needs. With new infrastructure and close links to the M60 and M62, the sheer scale of Future Carrington offers a very rare investment

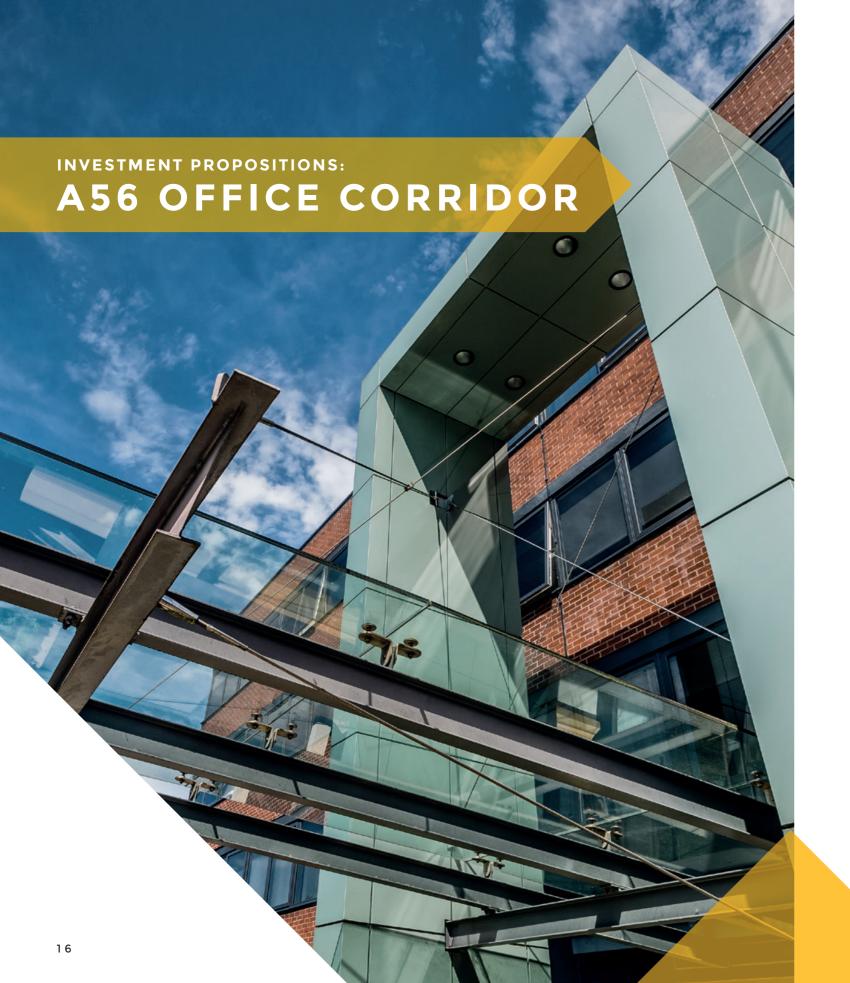

A New Futu

- Cornbrook and Pomona offer a spectacular waterfront development opportunity that is right on the fringe of Manchester City Centre. These prime development areas will be transformed to create a new high quality commercial, leisure, residential and retail destination.
- Adjacent to the A56, the main arterial route connecting Trafford to Manchester, and with excellent train and tram links, these sites have excellent connections to the city centre and beyond.
