# Support for victims of Domestic Violence

Adapting to current restrictions is a challenge for most but many people are facing the threat of domestic violence at this time.

To assist residents who are fleeing a potentially dangerous situation, Trafford Council is working with partners to provide a supply of emergency items for those forced to flee their homes.

The project will see emergency bags of personal care items stored at police stations across Trafford for use by residents who may have a sudden change of circumstances.

Businesses are invited to support the initiative by donating personal items for adults (shampoo, toothpaste, toothbrushes, deodorant, hairbrush, comb, snack) and children (nappies, baby food, baby milk, children's toothbrushes and toothpaste, colouring books and pencils).
